

## PLANT OPERATIVE ON MRF

### SHIFTS (4 ON 3 OFF)

#### Brief Description:

We are a reputable family run company who have been established for over 40 years specialising in Waste Management, Agricultural Contracting, Building Materials & Construction. We have an opening within the team for Plant Operative on a full-time permanent contract. This position is available with an immediate start date. This is a fantastic opportunity to join a family firm in a growing industry. The role is based just outside Market Drayton off the A41.

#### Outline of the Role:

As a plant operator you will be responsible for using a variety of machinery to do tasks such as loading baled recyclates into lorries, loading/unloading lorries of all waste streams and daily site work.

The job role of a Plant Operative at a MRF will involve the following duties:

- Using loadalls, forklifts and material handler (High rise cab) with confidence as we are a busy site
- Moving waste streams with plant
- Loading shovel work may be required
- Operating Man Cages
- Feeding the baler to produce baled products
- Loading articulated lorries
- Sorting waste using grab material handler
- Using forklifts to unload and move materials around the site including concrete panels and rings
- Carrying out safety checks and keeping machines running properly
- Changing buckets and other machine attachments
- You will record any defect and communicate this to the Transport Manager/ Site Manager/ H & S Manager to ensure that plant stays operational and safe

# A.R.Richards Ltd

Bensite, Warrant Road, Stoke Heath, Market Drayton, Shropshire TF9 2JJ

Sales: 01630 639 888 Accounts: 01630 659 113

Web: [www.arrichards.co.uk](http://www.arrichards.co.uk)

Your role will be to ensure that within the team we are able to keep a very busy shed running effectively at all times. Providing on-going support to the Shed Supervisor and Site Manager. Liaising closely with the Weighbridge and Transport teams to ensure that vehicles are loaded correctly with the correct products and at the right weights.

## The Candidate:

You will need to be a quick learner and can take direction. You must be confident using plant as Bensite is a very busy site with a lot of vehicular movements. You must be able to work under pressure and enjoy problem solving and lateral thinking. You must have a passion to drive our performance paying attention to the service that we deliver to all our customers. You will be able to use, repair and maintain plant and have a true pride in your vehicle and work.

## EXPERIENCE:

- Experience of working to tight deadlines and often out of a routine as the role is very reactive to our customer needs
- Able to react quickly to information, helping solve any challenges to route
- Able to work as part of a team

## SKILLS

- Able to remain calm and focussed under time pressure
- Has a logical and methodical approach to all tasks

## TECHNICAL

- Able to maintain plant safely and correctly.
- Happy to try using new plant
