

## Waste Shed Manager

**Bensite, Warrant Road, Stoke Heath, Market Drayton, Shropshire, TF9 2JJ**

We are a reputable family run company who have been established for over 40 years specialising in Waste Management, Agricultural Contracting, Building Materials & Construction. We have an opening within the team for a Waste Shed Manager on a permanent contract. This position is available with an immediate start date. This is a fantastic opportunity to join a family firm in a growing industry. The role is based just outside Market Drayton off the A41.

### Outline of the Role:

- Ensuring all individuals within the Waste Operations are effectively performing in-line with their individual and collective business goals
- Work closely with the site manager to ensure site is running effectively and providing ongoing support where needed
- Responsible for a processing site (Materials Recycling Facility/Transfer Station). The site operation involves manual picking and plant operations. The site deals with general waste which is to be sorted - with recycle products (paper, plastics, metals, wood, and cardboard etc.) being recovered and the remainder converted to an energy source with a focus on reducing materials sent to landfill
- Ensuring the highest quality output which will return maximum value on the sale of processed commodity streams.
- Staff Management – Liaising with our HR department and Agencies
- Operating Telehandlers/Forktrucks/Balers/Excavators/Loading Shovels where required
- Ensuring health and safety is always adhered to with no exceptions. Regular Toolbox talks to be undertaken.

Your role will be to ensure that within the team we are able to keep a very busy site always running effectively. Providing on-going support to the shed staff and site manager.

The Waste Shed Manager reports directly to Site Manager
