Banksman

Brief Description:

We are a reputable family run company who have been established for over 40 years specialising in Waste Management, Agricultural Contracting, Building Materials & Construction. We have an opening within the team for a Banksman and Vehicle/ Plant Checker on a full-time permanent contract. This position is available with an immediate start date. This is a fantastic opportunity to join a family firm in a growing industry. The role is based just outside Market Drayton off the A41.

Outline of the Role:

As a Banksman you will be responsible organising vehicular movement on a busy site. Alongside this you will be solely responsible for ensuring that all site plant has its daily vehicle checks and maintenance. You will be working alongside both the Shed Team and the Maintenance Team.

The job role of a Banksman at a MRF will involve the following duties:

- Carrying out safety checks and keeping machines running properly
- With the Maintenance Team and Site Manager you will undertake vehicle maintenance
- Working with the Shed Team to sort various waste streams
- Managing traffic across sites including entry and exit to Waste Sheds
- Cleaning down machinery and various plant when required
- You will record any defects on plant and communicate this to the Transport Manager/ Site Manager/ H & S Manager to ensure that plant stays operational and safe
- Use telehandlers and forklifts when required

Company Registered in England and Wales Registration Number 04717390 VAT Registration No. 319 117 177

Your role will be to ensure that within the team we are able to keep a very busy site always running effectively. Providing on-going support to the Shed Supervisor and Shed Manager.

The Candidate:

You will need to be conscientious, organised and hardworking. You must be able to work under pressure and enjoy problem solving and lateral thinking as there is a lot of vehicle movements control.

EXPERIENCE:

- Experience of working with machines will be advantageous
- Able to react quickly to information, helping solve any challenges to route
- Able to work as part of a team

SKILLS

- Confident in giving direction to a team within the shed
- Has a logical and methodical approach to all tasks to ensure that we can keep a constant flow of traffic on site

TECHNICAL

- Able to maintain plant safely and correctly and able to complete vehicle maintenance checks correctly.

What A R Richards can offer:

As a family run company our team mean everything to us, we want to ensure that we offer a fun, energetic place to work where people can thrive. We continue to add to our company benefits, but we can offer:

- Company Pension
- 28 days paid holiday
